The Misses Bell
Complexion and Hair Specialists.

The brilliant complexions of women in the more exclusive circles of New York society are not explained by the theory that associates beauty and idleness. In fact, many leaders of the world of fashion are hard workers. Yet they keep their good looks even when they are old. How do they manage it? THE MISSES BELL, of 78 Fifth Avenue, New York, themselves connected with some of the most noted and honored families in the metropolis, have answered the question. They have prepared for the use of women in general, five preparations for improving the complexion and the hair.

Five Toilet Treasures.

The Misses BELL'S COMPLEXION TONIC
is an external application, the presence of which on the face cannot be detected. It is perfectly harmless even to the most delicate skin. It is a sure and quick cure for all roughness and eruptions. It acts on the skin as a tonic, producing a naturally pure complexion. Cosmetics merely hide blemishes. The Tonic gets rid of them.

The Misses BELL'S COMPLEXION SOAP
is made from the pure oil of lamb's wool. It is healing and gratifying to the skin, keeping it at all times in a clean and healthy state. This Soap is delicately scented, and is a most welcome aid to the toilet of fastidious women. The most careful taken in selecting materials insure the purity of the product. Price, 25 cents per cake, large four-ounce size.

The Misses BELL'S HAIR TONIC
cures dandruff and prevents any return of it; stops that maddening itching of the scalp and makes the hair strong, soft and lustrous. It is especially helpful to persons whose hair is thin, dry and liable to fall out. The Tonic cleanses the skin about the roots of the hair; will soon cover bald spots with a handsome growth. Price, \$1 a bottle.

The Misses BELL'S CAPILLA-RENOVA
for restoring prematurely gray locks to their original color. It is not a dye nor a stain. It is a colorless liquid that is applied to the roots of the hair and leaves no telltale signs on the scalp or forehead. Neither does it change the color of the hair all at once. Only days do that and they wash off. But Capilla-Renova will not wash off. Price, \$1.50 per bottle.

The Misses BELL'S SKIN FOOD
is a soft, creamy, exquisitely perfumed ointment, which helps the action of the Tonic, and, in mild cases of roughness, redness, pimples, etc., is a cure in itself. It cleans the pores of the skin of all impurities and feeds it by building up the texture and making the flesh beneath it solid and firm. Price, 75 cents per jar.

RYAN KNOCKED OUT—KILRAIN PUT TO SLEEP.

(By Telegraph to Virginian-Pilot.)
New York, October 20.—Joe Choynski, of California, whipped Jimmy Ryan, of Australia, in the seventh round of their fight to-night at the Broadway Athletic Club. Choynski was far the cleverer of the two and the result was expected. When the knockout came Choynski was as fresh as when he began. Ryan's previous showing with Choynski, with whom he stayed twenty rounds, made some people bet even money that he would stay the limit this time. But their money was badly invested, as Ryan never had a possible show when it came to hard work.

STEVE O'DONNELL'S CLEVER WORK.
Baltimore, October 20.—Jake Kilrain, the former clever heavy weight boxer and for a time the world's champion in his class, was practically put to sleep to-night in five rounds by Steve O'Donnell, of Australia, before the Eureka Athletic Club. In the opening rounds of the contest, which was to have gone fifteen rounds, Jake showed a good deal of his old-time cleverness, O'Donnell failing to put a glove on him until the third and then only light blows were exchanged. A straight right punch on the jaw dazed the veteran in the fourth round.

A series of right and left punches in the fifth supplemented by a hard right swing on the jaw sent Kilrain to the floor, whereupon his seconds threw up the sponge.

Philadelphia Wins Fourth Game.
(By Telegraph to Virginian-Pilot.)
Brooklyn, N. Y., Oct. 20.—Philadelphia won the fourth game of the series by better hitting. The weather was cold and the Brooklyn fielders raggedly. The series is now tied, and to-morrow's game will decide.

Score by innings: R.H.E.
Brooklyn... 0 1 1 0 0 1 0 0—3 10 4
Philadelphia... 0 1 0 3 0 4 0 0—5 11 2

Batteries—McJames, Donovan and McGuire; Frazer and McFarland.

The Madras Vindict Accepted.
(By Telegraph to Virginian-Pilot.)
Washington, D. C., October 20.—Mr. Tower, the British charge here, called at the State Department to-day and handed to Secretary Hay a note formally accepting for his government the proposition for the temporary adjustment of the Alaskan boundary line proposed by Secretary Hay in his note of yesterday.

Burglars Get \$350 from Mr. Charles Moritz's House.

Two Other Residences Burglarized—
Funeral of the Late Mr. Clarence S. Dunn—in the Mayor's Court—
Personal Mention—The Churches.

The residence of Mr. Charlie Morwitz, in Montlani, was robbed of \$350 yesterday morning between the hours of 2 and 4 o'clock. The thief, or thieves, made good their escape, their visit not being detected until the family got up at the usual hour yesterday morning. The entrance was made through one of the front windows. The money missed was secured from the pocket of Mr. Morwitz's pants, which were lying on a chair in a few feet of the bed, on which he was asleep.

The residence of Mrs. Mary Whitehurst was also broken into yesterday morning. The occupants were alarmed. The house was ransacked from bottom to top, and the following articles are missed: Ladies' gold watch and chain, about \$15 in cash, gold Masonic badge, one new cape, pair of new pants, belonging to Mr. Mitchell, and an umbrella. Yesterday morning several garments were found in the yard. They had been gone through for money and thrown down. The entrance was made through a window in the rear of the house.

The residence of Mr. and Mrs. Brown, in Montlani, was entered Tuesday night and a ladies' gold watch and chain carried away. As yet there is no clue to the persons. Several suspicious characters have been seen in the town during the last few days.

The funeral of the late Mr. Clarence S. Dunn was conducted from the Berkley Avenue Baptist Church yesterday afternoon at 2:30 o'clock. Rev. T. C. Skinner, the pastor, assisted by Dr. A. E. Owen, of Ryland Institute, and Rev. M. W. Butler, of the Main Street Christian Church, conducted the services. A solo was sung by Mr. Wm. Pritchard. The church was well filled with the many friends of the deceased and bereaved family. Many floral wreaths of beautiful designs were brought and laid on and about the casket as silent expressions of their esteem for the deceased, until he gleit beneath a wilderness of flowers. After many tributes by the pastors the remains were laid to rest in Magnolia Cemetery, where the services were conducted by Lee Lodge, No. 48, K. of P., and Berkley Lodge, No. 157, A. F. and A. M., both of which attended in a body, and which the deceased was a beloved brother.

The following gentlemen acted as pall-bearers: Messrs. L. C. Jones, George Bushell, W. C. McKinley and D. V. Allen.

Musical—Messrs. T. M. Jones, S. W. Lyons, John Whitestone and George H. Kirby.

THE SECOND DAY.
OF MR. BRYAN'S SPEAKING TOUR OF OHIO.

(By Telegraph to Virginian-Pilot.)
Napoleon, Ohio, Oct. 20.—The Bryan-McLean special train left Napoleon at 8 a. m. The first stop was at Napoleon, Henry county. Carriages and a large crowd were at the depot and escorted the visiting guests to the court-house, in front of which a stand had been erected. John R. McLean introduced Mr. Bryan, who said in part:

"I am very glad to speak to the people of this county. In 1896 you gave something like 1,700 majority for the Democratic ticket out of a total of less than 5,000. The Republican policy is so bad that there is no reasonable excuse for a minority vote among you."

Mr. Bryan related the story of the young medical student who would bleed every patient regardless of the disease, and when the patient became so weak he could stand it no longer, the student would prop him up in bed and bleed him again.

"And that is the way of the Republican party," continued the speaker. "It has bled you on the money question, the tax question and every other question which has come before the country. The time has come when the farmer, the plain laboring man, cannot afford to throw his influence on the side of the Republican party. I believe in an income tax, and I believe it the most just of all taxes. The platform of 1896 favored it, and your Zanesville platform re-affirmed the 1896 platform."

Mr. Bryan then discussed silver, the trusts and imperialism.

AT OTTUMWA.
Ottumwa, Ohio, Oct. 20.—A large and demonstrative crowd greeted the Bryan party here, people coming from the surrounding country for miles. Mr. Bryan spoke on the money question and the anti-option bill.

A Week's Bank Clearings.
(By Telegraph to Virginian-Pilot.)
New York, Oct. 20.—The total bank clearings in the United States for the week were \$1,953,763,877; per cent. increase, 48.
Exclusive of New York, \$111,656,197; per cent. increase, 32.3.

FADS AND FANCIES.

Skirts of spangled or beaded lace, grenade or crepe are fashionably worn over taffeta skirts. The taffeta waists are cut low and are worn with lace-tucked chemisettes. The sleeves are of tucked taffeta or shirred lace. The sleeve shirring is vertical or round-and-round, as preferred.

Black-and-white checked taffeta is again in fashion. The fabric will suit refined tastes and is serviceable.

Heavy all-over embroidery is arranged flat upon the front-gores of cashmere gowns or at the sides to afford lavish ornamentation.

Plaided gowns for misses, with sleeves of satin or velvet and a four or five inch bordering of the same upon the skirt, will be popular for country wear. A graduated Bertha like bias ruffle edges a cape like application to the waist. This addition is pointed behind and suggests a surprise termination under the black crutch belt.

Collapse is Coming

soon or late, when the stomach and digestive and nutritive system begin to fail. It must be so. Food is the body's life. But food must be digested, before it can nourish the body. It is not what we eat but what we digest that feeds us. Don't neglect the first warnings of stomach trouble. The timely use of Dr. Pierce's Golden Medical Discovery, which is a medicine for the cure of diseases of the stomach and organs of digestion and nutrition will in ninety-eight cases out of a hundred result in a permanent cure. The percentage of cures is based on actual figures and facts, recorded in the treatment of hundreds of thousands of sick people. The "Discovery" always helps. It almost always cures.

"I was troubled with indigestion for about two years," writes Wm. Bowler, Esq., of Julietta, Utah Co., Idaho. "I tried different doctors and remedies but to no avail, and I wrote to you and you told me what to do. I suffered with a pain in my stomach and left side and thought that it would kill me. Now I am all right. I can do my work now without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Pellets' cured me."

THIS MEANS SOMETHING

Almost every dentist advertises "Teeth Extracted Without Pain." He means to extract your teeth without pain, but he does not always do it. It's not his fault—it's the fault of the method he uses. "The Newest Discovery" renders the gums absolutely—wholly—insensible to pain. It never fails. It leaves no bad after effects.

Don't cling to the old methods—and possible pain—take advantage of 1900 methods.
